English

This game can not boast of cool graphics. But is perfect for killing time. Overall happy with the purchase.. This game can not boast of cool graphics. But is perfect for killing time. Overall happy with the purchase.. A good game, you can play for hours and it will not get bored. The main hero - a participant in the game of the future - Arena. The goal of the game is very simple - to survive and defeat all enemies. In the game a wide variety of enemies and weapons, many levels. A huge plus is a small price. This game is a good time killer.. A good game, you can play for hours and it will not get bored. The main hero - a participant in the game of the future - Arena. The goal of the game is very simple - to survive and defeat all enemies. In the game a wide variety of enemies and weapons, many levels. A huge plus is a small price. This game is a good time killer.
